

**Be Kind Week 2022 – ‘Reach out’  
Monday 14<sup>th</sup> November ‘Odd Socks Day’**

Dear Parents and Carers,

As part of our PSHE curriculum and our continuing work to develop all children’s personal, social, emotional, moral and behavioural skills and knowledge we are taking part in National Anti-Bullying Week next week.

The theme this year is **‘Reach out’**. The week will kick off with Odd Socks Day on Monday 14<sup>th</sup> November, where all adults and children are invited to wear odd socks to celebrate what makes us all unique. Bullying affects millions of lives and can leave us feeling hopeless. But it doesn’t have to be this way. If we challenge it, we can change it. And it starts by reaching out!

Our ‘Reach out’ activities in school will be focusing on teaching the children who they can reach out to if they need to talk and also how they can reach out to someone they may know is being bullied and how they can support them. The lessons in the week will be varied and involve the children in many fun activities linked to the theme ‘Reach out’. It doesn’t stop with our young people in school though. From teachers to parents and influencers to politicians, we all have a responsibility to help each other reach out. Together, let’s be the change we want to see. Reflect on our own behaviour, set positive examples and create kinder communities. It takes courage, but it can change lives. So, this Anti-Bullying Week, let’s come together and reach out to stop bullying.

For more information on the theme please see the website:
