Year 4 Class Size

Dear Parent / Carer,

I am writing to you regarding the size and logistics of our Year 4 class this year.

As you will remember at the end of Year 2 we merged the two small classes into one Year 3 class with Miss Gilmour and Ms Cox.

This year Mrs Burton and Mrs Hewson have worked alongside Mrs Ellis in order to facilitate this larger than average class, splitting the cohort into 2 smaller groups whenever possible.

However, the class has recently seen several new arrivals and we will have 40 children in this class very soon.

Therefore, for the remainder of this year (the whole of the Summer Term), Miss Thirlaway will also be working with this class in the mornings to facilitate smaller groups for Maths and English and allowing for intervention groups to continue to run smoothly.

The governors and leadership team are looking at various options for next year in order to make sure that this class is not over-sized and I will update you as soon as I have a firm decision on this situation.

I want to assure you all that the safety, wellbeing and education of your children is at the heart of every decision we make and please do not hesitate to make an appointment to see me if there is anything further you would like to discuss.

Yours sincerely,

Adam Hossen
