

Cost of School Meals

Dear Parents/Carers

As we all know, costs are increasing for everyone and food costs are some of the most effected. Our school meals provider is constantly working as hard as they can behind the scenes to keep their prices as low as they can by buying in bulk, constantly looking for the best supplier and adapting menus wherever possible. Unfortunately, their costs are still increasing and so they have no option but to pass these costs on.

Hopefully, the economy will settle but they cannot guarantee that there will not be a further rise in the New Year.

Accordingly, from Monday, 21st November the cost of a paid school meal will be £2.70 a day. Those children entitled to free school meals or universal free school meals (reception, year 1 and 2 children) will continue to be provided with a meal free of charge.

Yours faithfully
