

## EYFS Family Communication, Language and Literacy Workshop

Dear Parents and Carers,

In Early Years Foundation Stage, we are focusing on providing our children with increased Communication, Language and Literacy opportunities. This gives our children more confidence when learning independently and using and applying new knowledge enabling them to make accelerated progress. To implement this in the Early Years we have continued to embed our Communication, Language and Literacy initiatives. These sessions increase the opportunities to explore speaking, listening, reading and writing in a fun, active and engaging way. As well as discrete sessions we have the resources in many of our provision areas to enable children to consolidate their learning and to practice their skills.

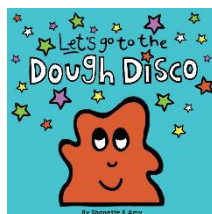

We would love for our Communication Language and Literacy focus to continue at home too. Therefore, on **Tuesday 14<sup>th</sup> March at 9.10 am – 10:00 am for Reception and Nursery AM and 2.10pm – 3.00 pm for Nursery PM**. We would like to invite families to join us for our family workshop where we will share with you the resources and ideas we use for you to then take home and use at home. During the workshop you will be able to work with your child, or a small group of children, to join in and explore our provision.

If you have any questions or queries about anything regarding the workshop please speak to your child's class teacher.

We look forward to you joining us for another amazing event in school. We are continuously grateful for your support and involvement.

Yours sincerely

Mr Adam Hossen  
Head Teacher
