EYFS Family Photos

Dear Parents and Carers,

In our Understanding the World circles sessions we are learning all about families, celebrating similarities and differences within all families.

We are hoping to share photos of our families to enhance the learning experience for your children and our environment. Please can you send a family photo to your child's class teacher via Seesaw as so we can print them out to use.

We will be using the photographs to create a family display in the entrance of our classrooms and a family class book using the wonderful photographs too.

The children really enjoy sharing their experiences and talking about their families with their friends so we are really looking forward to seeing your photographs.

Thank you so much for your continuing support
Miss Price, Miss Altayar and Mr Ryder
