KS1 Numbers and Nibbles Workshop
Wednesday 23rd November 2.20 – 3.00pm

Dear Parents/Carers,

Due to the success of last years Numbers and Nibbles Workshop, the Key Stage 1 team have decided to hold another session for parents. During the workshop you will be able to see some Year 2 children demonstrate lots of practical activities to support your children's understanding and application of maths, hear from our maths lead, Paula Llanwarne, and hopefully take away some useful information and ideas to support your child at home...there will also be a selection of treats available for parents to enjoy!

This session is for parents and carers only - children will remain in class with the Learning Support Assistants.

This workshop has been very well received in the past and has equipped parents and carers with vital knowledge and skills that will help support your child in their maths learning. We hope to see lots of you there.

Kind regards,

Mrs Read and Miss Davey
