Dear Parents and Carers,

As you may recall, nearly two weeks ago we launched a process to find out what you think about us becoming an academy and joining the Laurus Trust.

It is great that the microsite we created has had over 300 views in that time, and it is pleasing that some of you have also completed the online survey to share your views.

During this process, a small number of people have also asked some quite specific questions about what moving to become an academy in the Laurus Trust would mean for their child.

That is why we would like to invite you to arrange a meeting with representatives from the Trust and one of our Chair of Governors on Tuesday 21st from 14:30 – 15:10pm.

Given the questions are so specific, we felt it would be better to use this time for drop-in style sessions so that you can have very informal and open conversations about your own child's specific needs and circumstances. Of course, if you also want to use this as an opportunity to ask a much broader question, then that is equally fine.

To arrange a time slot, please contact the school office.

Also, please continue to visit the website at <http://www.hgpslisteningperiod.co.uk/> (also accessible from our school website) and let us know your thoughts!

We look forward to working with you as we progress on this important decision for our school together.

Warm regards,

Adam Hossen Lynsey Cooper
