

23rd November 2023

Dear Parents and Carers,

We are very pleased to support Mrs Clayton as she embarks upon a new personal challenge in studying to complete an Early Years Foundation Degree. As part of her course, she will be conducting observations of children's learning within Nursery and will sometimes need to use photos and children's spoken language.

During her observations, no names of children will be used and any photographs would only be shared within the degree context.

If you would like any more information about this, or if you would like to **opt out** of your child being part of these observations, please let Miss Price, Mrs Monaghan or Mrs Clayton know.

Kind regards

Mr Hossen
