

Year 6 trip to Robinwood – 28th- 30th June 2023

Dear Parents/Carers

We have been looking at the payments received so far for the trip to Robinwood and unfortunately there are not many children's places where the amount has been paid in full or regular payments are being made to reduce the outstanding balance. So far, more than half of the places have only been secured by the initial deposit of £40.

Whilst we understand that the final payment date is not until May, the lack of payments is very worrying as school will have to pay the full balance to Robinwood if we leave the booking as it currently stands.

Accordingly, we would ask that you make a payment to your child's balance by the end of this week (23rd) or confirm to us if you would like your child removing from the trip.

Please note all **payments are to be made in full by Friday 12th May.** Any child whose trip has not been paid in full by that date will not be allowed to attend the trip and any money paid will be returned to the parent less the non-refundable deposit.

Kind regards,

Adam Hossen
