Dear Parent / Carer,

Firstly, I would like to thank all our parents and carers for your patience and understanding during this period of strike action. I would also like to thank all my staff for their open and honest communications with me so that we can best plan and prepare for class closures.

I can confirm that on **Wednesday 15th March**, the following classes will be closed:

I can also confirm that on **Thursday 16th March**, the following classes will be closed:

As before, this decision has been based on risk assessments, DfE guidance, guidance from all related unions, meetings with the Local Authority and chairs of governors. At all times, the health and safety of the children has been the main focus.

Free School Meals

For those children entitled to Free School Meals (benefits based), school can provide a packed lunch for your child which you will need to collect from school on the 15th March and/or 16th March **(Please notify the school office by 12pm Tuesday 14th March if you would like your child to have a packed lunch on the Wednesday and/or Thursday.**

Wraparound Care

For those children in wraparound care in the afternoon, Chill Zone will be open as usual in the afternoon only from 11:50am to 2:50pm.

Chillzone is open as usual for before and after school club for classes not affected by the strike.

I do understand that this situation will no doubt remain to be very frustrating for some of you and I would kindly ask that all members of our school community continue to treat each other with the respect and consideration that you have all, without exception, shown to each other at our school.

If you have any strong views on the action that the teaching profession has taken on the lack of resources available to children, my suggestion is still that you write to your local MP.

Yours sincerely,

Adam Hossen
